Oracle 11g Installation Steps (For Online)

- **Now login in your email account**
- **Check the oracle email in your inbox and click on the link provided in email to activate your oracle account.**
- **Sign in with your oracle username and password.**
- **Logout from the oracle website.**

Oracle 11g Installation Steps (For Online)

Now, type the website name “<https://livesql.oracle.com/>” in Web Browser. **Click start coding now button.**

Oracle 11g Installation Steps (For Online)

The screenshot shows the Oracle account sign-in page. The browser's address bar displays 'login.oracle.com/mysso/signon.jsp'. The page features a white sign-in form with a green 'Sign in' button. Below the form is a link for 'Need help?'. At the bottom, there is a section for users who don't have an account, with a 'Create Account' button. The footer contains the copyright notice '© Oracle' and links to 'Terms of Use' and 'Privacy Policy'.
